Located in the sought-after Anders Park, close to schools and the Collicutt, this beautiful two-story home offers 2,133 square feet of living space. The open-concept design of the home is accentuated by vaulted ceilings and numerous large windows, allowing natural light to flood the living, dining, and kitchen areas. Step into the kitchen which boasts white cabinets, some curved, along with a pantry, an island, and ample cabinet space. The eating area includes a garden door leading out to the deck. The lower main level features a family room with a cozy gas fireplace and a three-piece bathroom. Upstairs, you'll find three bedrooms, including the large primary bedroom with a luxurious five-piece ensuite, and a four-piece bathroom. The basement offers a bonus bedroom and a den, along with a large recreational room and a utility room with tons of space under the family room for various activities and storage. This property offers a two-car attached garage and a paved driveway, with a fully landscaped, fenced yard, complete with a deck, flowerbed, and trees. This home is a perfect blend of comfort, style, and functionality, ready to welcome its new owners.
