Welcome to this exquisite riverfront sanctuary, ideally located in the heart of the city offering breathtaking views sunrise to sunset. This unique property encompasses a 0.95-acre lot and provides incredible views of the Red Deer River. Situated just steps away from walking paths and Heritage Ranch, it offers a superb blend of convenience and natural splendor. The outdoor area is nothing short of magnificent, featuring a glass-covered patio with heaters and an outdoor sound system, enabling you to relish the surroundings for most of the year plus a hot tub overlooking the yard. A substantial stone wood-burning fireplace adds warmth and charm to gatherings. The meticulously landscaped grounds include a stone walkway and patio, along with an outdoor kitchen equipped with a built-in barbecue, fridge and icemaker, creating a perfect venue for hosting family and friends. This immaculately maintained two-storey dwelling offers an impressive 4000 + square feet of living space, in addition to a fully developed basement. As you step inside, you are welcomed by a grand entryway with a 23-foot ceiling and ash hardwood floors. The main level features a bright office and separate seating area as well as convenient laundry facilities off of the side entrance. The functional kitchen is outfitted with an abundance of cabinet & counter space, double ovens and a gas stove top overlooking the beautiful living room accompanied by a stone facing gas fireplace. The primary bedroom, located on the main level, ensures both seclusion and convenience. The second level features four additional bedrooms, three with walk-in closets, and one with an 12x22 storage area (the perfect playroom), making this residence perfect for a growing family. The fully finished basement offers a variety of amenities, including a family/games room, a full bar with a sink and bar fridge, two extra bedrooms, a theater

room for movie nights, and a wine storage room to showcase your collection. One of the remarkable aspects of this home is the extensive storage space and parking options, including an attached triple-car garage w/ access to the basement, RV parking with water & power hook ups and two finished and heated super sheds. Extra's include but are not limited to: brand new shingles, central a/c (2016), R/I underground sprinklers, incredible Well water, saskatoon & raspberry bushes, exterior hot & cold taps, conduit ran to driveway for a future gate and SO much more! This riverfront property is a true treasure, combining elegance, space, and natural beauty in one extraordinary package.
